PRESIDENTS MESSAGE – KATHRYN LAMBERT

There is no bull about it, the 145th Glencoe Fall Fair will certainly be a *“Party Until the Cows Come,”* September 23-24, 2022. The community has missed the fair the past two years and the Executive, Directors, Committee and Volunteers are excited to have the fair back this year.

First off THANK YOU to this incredible community who has supported the Glencoe Agricultural Society the past two years, our future looks brighter, and we can't express our gratitude enough.

Please take some time to check the fair schedule, as there are a few modifications that we want you know about before you arrive. First off, you will notice that 2022 Glencoe Fair will be packed into two days this year, kicking off Friday and wrapping up Saturday evening. There will be some competitions being moved into the curling arena and into an Agricultural Awareness tent outside, as the hockey arena is still in the middle of renovations. We are also happy to welcome Cope Amusements to Glencoe Fair this year. Please note that there will not be advanced wristband tickets sales for the rides this year, Cope Amusements is welcoming everyone to checkout their rides before you purchase your wristband. However, there will be 2-day passes available at a discount rate, the weeks before the fair for purchase.

Friday night will sure to be a great turn out, with Shane Cook & The Woodpickers entertaining in the Curling arena along with the Ambassador competition and other royalties, while the Demo Derby is crashing and banging under the lights on the track, the ball tournament at the diamonds and Justin Plett performing in the beer tent.

Don't miss the parade down Main Street on Saturday morning, followed by fearless competitions with the 4-H shows and the open Sheep and Beef Shows. Check out the free Kids Zone in the Curling arena with the BarryO Kids Show and Little Rays Reptiles, performing throughout the day, face painting and balloon creations & the traditional kids bike draw. There will be chainsaw carving and blacksmith demonstrations on the grounds, along with a great variety of food vendors, commercial

exhibitors, afternoon entertainment in the Beer Tent from Hayden Mellon, and then closing the day at the legendary Fair Dance with Highway 21.

If you are exhibiting at the fair, please check out the modified drop off and pick up for some schedules this year. Don't forgot all entries are to be registered online.

THANK YOU to the sponsors and supporters of the Glencoe Agricultural Society, just not at the Fair but throughout the entire year. Please check out a complete list on the Glencoe Fair website and on site during the Fair. Your contributions do not go unnoticed, we couldn't offer the event we do, without your support.

Mark your calendars and head out to the 2022 Glencoe Fair, we can't wait to be back.

Kathryn Lambert

2022 FAIR AMBASSADOR COMPETITION

Committee: Jacqui Walker, Jacob Weber

The Glencoe Fair Ambassador Program provides an opportunity for young adults between the ages of 18-24 to get involved in their community while also gaining valuable skills! Our goal is for participants to come out of this experience feeling more confident in public speaking, networking, introducing themselves, interviewing, and conducting themselves professionally.

The participants take part by introducing themselves autobiographically, having their pictures taken, interviewing with the judges, and participating in the variety show at the Glencoe Fair, where they must give a speech and answer an impromptu question on stage. Following the on-stage portion, one participant from the program is selected to represent Glencoe for the following year as the Glencoe Fair Ambassador. The ambassador will spend their year attending events within the Glencoe community such as the fair, and within the greater community of agricultural societies at the Ontario Association of Agricultural Societies Convention and at the Canadian National Exhibition (CNE) Ambassador of the Fairs Competition. Attending these events allows the ambassador the time and space to improve upon a variety of professional and personal skills in several environments, as well as the incredible experience of meeting fellow fair ambassadors and agricultural society members from across Ontario.

Although only one participant in the Ambassador Program gets the opportunity to fully represent Glencoe for the year, we think that all who participate benefit from the experience of meeting new people and working on their professional development! We also encourage all who take part to continue to stay involved with the Glencoe Fair Ambassador Committee and Glencoe Agricultural Society in the future.

For more information regarding the fair ambassador program, please contact the committee at gfambassador.comm@gmail.com

FAIR AMBASSADOR (2019) – KENNIDI HOWE

My time as the 2019-2020 Glencoe Fair Ambassador turned into an unexpected 3-year experience thanks to COVID 19.

From the moment I was selected as fair ambassador, I was excited to represent this great community. I was lucky enough to meet many influential people and get involved in community events such as Red Brand, The Santa Claus Parade, Breakfast with Santa and got the opportunity to represent Glencoe at the OAAS (Ontario Association of

Agricultural Societies) Convention in Toronto. Even though my experience was short, I enjoyed my time and encourage youth to get involved in our community, especially the ambassador program. I hope to see everyone at the celebration of the 145th Glencoe fair!

JUNIOR AMBASSADOR (2019) – HANNAH HATHAWAY

Hi, my name is Hannah Hathaway and I was the 2019-2020 Glencoe Junior Fair Ambassador. I had a wonderful experience that began with starting our day together on a local farm. First we learned all about sheep which included how to shear their wool and how to show them. We then were divided into groups and toured around Glencoe and took pictures of key historical landmarks in the town. We made slideshows to share with the other groups. It

was a really fun day, and it was nice to get to know the other contestants, Fair Board Members and judges.

The next event was the Friday evening variety show. We all attended and answered a question on stage. Everyone did a great job! The next day we all rode in the parade and helped out with the various activities held at the fair. I especially liked helping out with the dog show. I also helped hand out awards at the local 4-H banquet. One of the last events I was a part of was Lunch with Santa where I helped the kids in the craft area.

Through this opportunity I learned a lot of great life lessons such as working with others, problem solving and speaking in front of crowds. I had a lot of fun being a part of the Glencoe Fair and being the 2019-2020 Junior Fair Ambassador. I encourage everyone to participate in this event as you are guaranteed to have a great experience and learn something new! I am so excited that Glencoe Fair is happening again this year and can't wait to see who the 2022-2023 Junior Fair Ambassador will be.

Hannah Hathaway

AGRICULTURE IN THE CLASSROOM

~ Friday September 23, 2022, 9:45AM ~

Chairperson: Kathryn Lambert

Committee: Jeff McCallum, Morgan MacTavish

On behalf of the Agriculture in the Classroom committee and the Glencoe Agricultural Society, we would like to extend this invitation to grade 3 and 4 classes to participate in the annual Agriculture in the Classroom program, in conjunction with the Glencoe Fall Fair. The educational day will take place from 9:45am – 1:00pm, at the Glencoe arena, on Friday September 23rd, 2022.

There is no cost for this educational opportunity as valuable partners (CanGrow Crop Solutions, Downs Barristers & Solicitors & Glencoe Grain & Seed) have been established and understand the importance of the local agricultural industry and the merit to educate your students in these areas.

By participating in the Glencoe Fair's Agriculture in the Classroom program, your students will have the active opportunities to:

- Develop concerns and care for the environment and respect for living things
- Learn new vocabulary about animals, farming, farm implements and food
- Develop a positive attitude about agriculture and its importance to the food they eat
- Meet people from the local rural farm community
- Observe and compare a variety of plants and animals common to the local environment
- Become more aware of the various farming methods and practices as they relate to local agriculture industry
- Gain hands on experience with live animal handling and local agricultural commodities displays

We can only hope that you will find these activities exciting and educational for you and your students. Educational resources will be available to the teachers at the event. Please notify Kathryn Lambert if you are interested in participating, so future correspondence can be sent out in a timely manner. (519-870-9954)
