Dear Elementary School Teachers in the Glencoe area,

Please find enclosed an updated School Fair prize list for the 2023 Glencoe Fair, taking place on September 22nd – 23rd.

The theme for the fair is “Country Roots and Rubber Boots” and you will notice that several classes have been modified to accommodate the annual theme.

It’s very exciting for the students to come to the Glencoe Fair and show off their work to their friends and family, so we hope you will find sometime in the next month to participate.

The School Fair committee will be coming by your school on the last week of June to collect the entries for judging and display at the Glencoe Fair.

All entries will be returned to the school after the 2023 Glencoe Fair.

Once again, thank you for participating in the school fair and for helping your students get involved in the community and the Glencoe Fair.

Entries that have been selected for judging, require an entry tag attached and completed for each item. (Class: is the grade Section: Either # or title and student name and school)

If you should have any questions please do not hesitate to contact the School Fair committee. ***A complete listing of classes can be found on the Glencoe Fair website, www.glencoeFair.ca***
