FAIR AMBASSADOR MESSAGE

As the 2023/2024 Glencoe Fair Ambassador, my year has been both exciting and rewarding. I have had the privilege of participating in local events, parades, conferences and of course the fair itself. These events have provided me with the opportunity to represent our Agricultural Society, engage with the community, and promote the importance of local traditions and celebrations. I have also had the chance to try new experiences, that otherwise I may not have had the opportunity to participate in. It has been a wonderful experience to be a part of these events and to engage

with so many people while spreading the joy of the yearly fair. Being the Glencoe Fair Ambassador comes with many benefits; it is a fantastic opportunity to be a positive role model in the community and inspire others, especially kids, to get involved and be passionate about local events such as the fair. As the ambassador, I've had the chance to develop my public speaking skills, build confidence, and enhance my leadership abilities throughout the numerous engagements and appearances. Additionally, this role has allowed me to network with different community members, organizations, and sponsors of the fair, opening doors for potential future opportunities and collaborations. My favourite experience as the Glencoe Fair ambassador was most definitely the annual OAAS convention. This convention allowed ambassadors to participate in workshops, network, and gain more knowledge on what it takes to run a successful Agricultural Society, such as Glencoe's. Overall, my year has truly been fun and I have gained so much confidence in participating in this program. The Ambassador program has not only benefited me personally, but has also contributed positively to the community as a whole. I strongly recommend that anyone considering the program sign up as they will not regret it!

Ayden McRae

2024 SENIOR LEADERSHIP DEVELOPMENT

WORKSHOP & FAIR AMBASSADOR PROGRAM

The 2024 Glencoe Fair Ambassador program is dedicated to past committee chair and Ambassador Shannon (Thorncroft) Havens.

Committee: Taylor Chalupka, Megan McGrail, Morgan MacTavish, Taylor Van Bilsen, Jacqui Walker and Jacob Weber

This workshop day is targeted for students in Grades 9-12, looking to improve their leadership skills, public speaking capabilities, and get involved within the community. Join us at the Ag Hall on September 14th from 12:00pm - 4:00pm for the workshop, and qualified individuals interested in running as the Glencoe Fair Ambassador are invited to stay from 4:00pm - 5:00pm to utilize the skills they learned throughout the day in front of our judges in the form of a brief interview, and 2 impromptu questions. The Glencoe Fair Ambassador will be chosen on the 14th, and officially announced during the Fair on Friday. Pre-registration details will be posted on our social media, and will close on September 11th.

The Glencoe Fair Ambassador Program provides an opportunity for young adults between the ages of 18-24 to get involved in their community while also gaining valuable skills! Our goal is for participants to come out of this experience feeling more confident in public speaking, networking, introducing themselves, interviewing, and conducting themselves professionally. The ambassador will spend their year attending events within the Glencoe community such as the fair, and within the greater community of agricultural societies at the Ontario Association of Agricultural Societies Convention and at the Canadian National Exhibition (CNE) Ambassador of the Fairs Competition. Attending these events allows the ambassador the time and space to improve upon a variety of professional and personal skills in several environments, as well as the incredible experience of meeting fellow fair ambassadors and agricultural society members from across Ontario. Although only one participant in the Ambassador Program gets the opportunity to fully represent Glencoe for the year, we think that all who participate benefit

from the experience of meeting new people and working on their professional development! We also encourage all who take part to continue to stay involved with the Glencoe Fair Ambassador Committee and Glencoe Agricultural Society in the future.

For more information regarding the fair ambassador program, please contact the committee at gfambassador.comm@gmail.com

CHAIRPERSON: Kathryn Lambert

Committee: Jeff McCallum

On behalf of the Agriculture In the Classroom committee and the Glencoe Agricultural Society, we would like to extend this invitation to grade 3 and 4 classes to participate in the annual Agriculture in the Classroom program, in conjunction with the Glencoe Fall Fair. The educational day will take place from 9:45am – 1:00pm, near the Ag Tent (soccer fields), on Friday September 20th, 2024

There is no cost for this educational opportunity as valuable partners (CanGrow Crop Solutions & Glencoe Grain & Seed) have been established and understand the importance of the local agricultural industry and the merit to educate your students in these areas.

By participating in the Glencoe Fair's Agriculture in the Classroom program, your students will have the active opportunities to:

- Develop concerns and care for the environment and respect for living things.
- Learn new vocabulary about animals, farming, farm implements and food
- Develop a positive attitude about agriculture and its importance to the food they eat.
- Meet people from the local rural farm community.
- Observe and compare a variety of plants and animals common to the local environment.
- Become more aware of the various farming methods and practices as they relate to local agriculture industry.
- Gain hands on experience with live animal handling and local agricultural commodities displays .

We can only hope that you will find these activities exciting and educational for you and your students. Educational resources will be available to the teachers at the event. Please notify Kathryn Lambert if you are interested in participating, so future correspondence can be sent out in a timely manner. (519-870-9954)
