President's Message

I'm back!!

When I finished my term as president of the Glencoe Agricultural Society back in 2010 – 2011, I never expected to be back at the centre of the head table again but as fate would have it, this group of hard working and dedicated volunteers elected me back into the position of president once again. I have been a member of the Glencoe Agricultural Society for 26 years and many things have changed in that time, but the tradition continues year in and year out.

As a kid, I remember the one event that my family, my school cronies and I looked forward to every September, was the annual Glencoe Fair. The sights, the smells and the fun, carnival, atmosphere were almost overwhelming. From midway rides to the livestock shows, endless entertainment, cotton candy, midway games and too many events too list, it was a reunion of friends and a great time had by all.

As a volunteer, I worked on the organization and set up of some of the events and features that the fair offered. But as both a kid and a volunteer, the excitement of the fair, the family atmosphere and the camaraderie always persisted. There was just something about those sounds and carnival lights that warmed the heart and made me proud to be a member of this wonderful group and the amazing community that still supports the Glencoe Fair to this day.

So, it is fitting to announce that the theme of this year's 149th Glencoe Fall Fair is "Country Nights & Carnival Lights" and the 2025 fair dates are September 19th – 20th. Friday night 'I Am' Demolition kicks off the event with Glencoe Fair's smash hit, demolition derby while South of 7 entertains at our beverage tent.

Saturday morning things kick off with our annual fair parade down main street followed by the opening of the midway and our extensive livestock and 4-H shows throughout the day. Enjoy the buskers and various demonstrations and let the kids be entertained by the Magic Mel Show, Canadian Raptor Conservancy and the many stations and activities in our Kids Zone.

Friday and Saturday enjoy Cope Amusements' midway and grab some of the tasty vittles offered by the many food vendors at the fair. Make sure to peruse the big tops full of commercial vendors, fruits, vegetables, and crops, not to mention, demonstrations and displays. The entertainment tent will also be rocking with performers including the Pierce Family on Saturday. Close the fair out Saturday night at the Legendary Glencoe Fair Dance featuring Scott Manery & The Barn Burners.

Exhibitors at the Fair are reminded to check the drop off and pick up schedules and all entries are to be registered online.

Lastly, we would like to take a moment to thank the community for the unwavering support of the Glencoe Agricultural Society and all of events that we host. We would not still be operating if it weren't for you. We also want to take the time to send out a huge THANK YOU to all of the sponsors, contributors and volunteers who support the Glencoe Agricultural throughout the year and for all of our events and projects. You can see the entire list on Glencoe Fair website and through signage at our events. Your contributions and support are greatly appreciated, and we couldn't run our events without you.

September 19th and 20th, 2025 make sure to bring your family and friends out to enjoy the 'Country Nights and Carnival Lights' of the 149th Annual Glencoe Fall Fair. We look forward to seeing you there. It's going to be a great year with tons of fun and lots of great events.

Stay tuned throughout 2025 and into 2026 as the Glencoe Agricultural Society gears up for our 150th anniversary bash!!

Jeff McCallum

Fair Ambassador Message

Hello all, I am Cheyenne Cummings the 2024/2025 Glencoe Fall Fair Ambassador. In the fall of 2024, I was given the honour of being selected for your Fall Fair Ambassador. My time so far as Ambassador has been unforgettable, rewarding and given me so many new life experiences. Since the Glencoe Fair I have been a part of so many community events, for example helping hand out ribbons at Red Brand, helping Santa at the Santa Claus Parade, the local food drive, attending Fair board meetings, being a part of the ambassador committee and lending a

hand whenever I am needed. These events have given me the opportunity to become more involved within the community, learn about our town's history and spread how amazing our local Fair is. Being the Glencoe Fair Ambassador has given me the opportunity to become a positive leader throughout the community and to light a spark in the younger generation to get involved in local events and learn more about agriculture. Similarly, I have been able to develop my public speaking skills, leadership qualities and community engagement through several networking opportunities. Which would not be possible if it weren't for the amazing sponsors and Glencoe Agricultural Society helping me throughout my journey as Ambassador. Outside of our community I was able to participate in the OAAS convention, meeting many new ambassadors. At the convention the ambassadors participated in workshops that helped have a better understanding of all the hard work that our Agricultural society does for the community and preparing the ambassadors for the CNE. I am looking forward to competing this August at the CNE and to proudly represent our Glencoe Agricultural Society. This experience has given me so many opportunities and knowledge that I strongly recommend anyone interested in this program to sign up!

SENIOR LEADERSHIP DEVELOPMENT WORKSHOP & FAIR AMBASSADOR PROGRAM

2025 AMBASSADOR COMMITTEE

Megan McGrail, Taylor Chalupka, Jacqui Walker, Ayden McRae, Cheyenne Cummings, and Carleigh Johnson.

This workshop day is targeted for students in Grades 9-12, looking to improve their leadership skills, public speaking capabilities, and get involved within the community. Join us at the Ag Hall on September 6th from 12:00pm - 4:00pm for the workshop, and qualified individuals interested in running as the Glencoe Fair Ambassador are invited to stay from 4:00pm - 5:00pm to utilize the skills they learned throughout the day in front of our judges in the form of a brief interview, and 2 impromptu questions. The Glencoe Fair Ambassador will be chosen on the 14th and officially announced during the Fair on Friday. Pre-registration details will be posted on our social media and will close on September 3rd.

The Glencoe Fair Ambassador Program provides an opportunity for young adults between the ages of 18-24 to get involved in their community while also gaining valuable skills! Our goal is for participants to come out of this experience feeling more confident in public speaking, networking, introducing themselves, interviewing, and conducting themselves professionally. The ambassador will spend their year attending events within the Glencoe community such as the fair, and within the greater community of agricultural societies at the Ontario Association of Agricultural Societies Convention and at the Canadian National Exhibition (CNE) Ambassador of the Fairs Competition. Attending these events allows the ambassador the time and space to improve upon a variety of professional and personal skills in several environments, as well as the incredible experience of meeting fellow fair ambassadors and agricultural society members from across Ontario. Although only one participant in the Ambassador Program gets the opportunity to fully represent Glencoe for the year, we think that all who participate benefit from the experience of meeting new people and working on their professional development! We also encourage all who take part to continue to stay involved with the Glencoe Fair Ambassador Committee and Glencoe Agricultural Society in the future.

For more information regarding the fair ambassador program, please contact the committee at gfambassador.comm@gmail.com.

On behalf of the Agriculture In the Classroom committee and the Glencoe Agricultural Society, we would like to extend this invitation to grade 3 and 4 classes to participate in the annual Agriculture in the Classroom program, in conjunction with the Glencoe Fall Fair. The educational day will take place from 9:45am – 1:00pm, at the Glencoe arena, on Friday September 19th, 2025.

There is no cost for this educational opportunity as valuable partners (CanGrow Crop Solutions Old River Farm) have been established and understand the importance of the local agricultural industry and the merit to educate your students in these areas.

- Learn new vocabulary about animals, farming, farm implements and food
- Develop a positive attitude about agriculture and its importance to the food they eat
- Meet people from the local rural farm community
- Observe and compare a variety of plants and animals common to the local environment
- Become more aware of the various farming methods and practices as they relate to local agriculture industry
- Gain hands on experience with live animal handling and local agricultural commodities displays

We can only hope that you will find these activities exciting and educational for you and your students. Educational resources will be available to the teachers at the event.
