PRESIDENTS MESSAGE

Can you believe it, on September 25th and 26th, 2026, we are celebrating 150 years of tradition!!

Our theme this year, "Country Roads, Take Me Home" fits the occasion perfectly as it implies the journey home for many of our past patrons and residents. Glencoe Fair weekend to me, and to so many others, has always been like a reunion. Once a year, you knew you would see all your old friends and/ or family at some point throughout the weekend at the Fair. That atmosphere still exists today and hopefully it will endure another 150 years!

Before 1876, the local townships had their own fairs so the Mosa Agricultural Association and the Ekfrid Agricultural Society each had their own fairs separately. Mosa and Ekfrid eventually merged into a Union and co-hosted one fair. In 1876, that Union was incorporated under the Glencoe Agricultural Society which is still in existence 150 years later.

We always mention the tradition of the Glencoe Fair but in reality, our fair is more than just a tradition. The common goal of the Agricultural Societies in Canada is to educate and promote the business of agriculture to the general public. Yes, tradition is a huge part of that as we look back at all the long hours and hard, sometimes tedious work, that went into the farming lifestyle throughout the years. But the origins of the fairs weren't just about preserving the traditions and the lifestyle of agriculture it was about competition. The competition to see who had the best corn crop or the best elderberry pie. But that competition led to sharing information, letting your neighbours know what you did different to get the edge on the competition. This evolved the business agricultural in Canada and in turn created a sense of community and pride within the different towns, townships and regions.

What we are ultimately celebrating for the Glencoe Agricultural Society's 150th Glencoe Fair is more than just tradition. We are celebrating 150 years of bringing a community together. The Glencoe Agricultural Society honoured me, by electing me to the position president for the 150th anniversary of this amazing organization but I am humbled by the company I keep as a president. The past actions and achievements of the presidents before me are immeasurable. The work and knowledge that they put into building the buildings and the grounds and the society that we represent today are what makes us what we are and it is the reason we are still here 150 plus years later. Many of our past presidents and members were pillars of our community and leaders in innovation.

Many of our members today are not in the business of agriculture and many don't have ties to farming at all. But we market agriculture because of how important it is to our community, to our province and to Canada. We believe in educating and promoting the business of agriculture from its past roots through its entire evolution to today. We support the traditions of agriculture while promoting the achievements of today. But more importantly, we support the communities inherent in the Agricultural Societies

from the dawn of the annual fairs in Canada to today. We support you and we support our community. We show support by funding and donating to different service and support groups in the community and by sponsoring public initiatives and events. We also show it through our dedication and devotion hosting large annual events like our truck and tractor pull and the Glencoe Fall Fair. The hours and labour are long and tedious but feeling of accomplishment of running a successful event, hearing the positive reviews and seeing people and families thoroughly enjoy themselves gives us a feeling of accomplishment and pride that makes everything worthwhile.

The reality of still being an active, viable Agricultural Society and celebrating 150 years of excellence, is that it takes a community to endure. Without our volunteers, both past and present, and without our sponsors and donors, we would not still be in existence today. Our volunteers give up countless hours of their time and resources and put the Ag Society and our events ahead of themselves and, in many cases, their families. Our sponsors and donors are dedicated and loyal to a fault in supporting us and our events and we would be nowhere without them. But our biggest supporters are you, our patrons. Without your support, we wouldn't still be here 150 years later.

Just for you, we have a fun-filled evening on Friday night with our famous demolition derby hosted by I Am Demolition; our fabulous midway by Cope Amusements; our kids zone hosted by Bethel Baptist; Fiddling Duo Greyhound Rider Entertainment Tent and live entertainment from Screeched Inn in our beverage tent. We have vendors galore both under the big tops and throughout the grounds. Saturday we have the historic Glencoe Fair Parade; 4-H livestock shows all day; our amazing midway by Cope Amusements; live busker entertainment all around grounds all day long; live entertainment featuring Silver Soul, Rod & Reba and the Pierce Family Band; meet Chase from Paws Patrol, see Magic Mel, get your faces painted & try some line dancing at the free Kids Activity Zone in the Curling Arena. And of course, finish the evening off and wrap up the celebrations with fireworks and an outdoor fair dance, kicking off around 8:00 p.m.

We have something every, from vendors and food trucks to endless entertainment and shows. Please also consider supporting our 50/50 draw, that will be announced on Saturday night.

So come out and show your community spirit, your community pride and join us in celebrating 150 years September 25th and 26th, 2026. Bring your family, bring your friends and come be a part history. See you at the celebration!!

Come celebrate with us. Cheers to 150 years!!

Jeff McCallum

FAIR AMBASSADOR MESSAGE

Greetings, from your 2025-2026 Glencoe Fair Ambassador!

As my time as the ambassador for the Glencoe Fair comes to an end, I want to take a moment to reflect on what an incredible experience this has been. Serving as an ambassador has given me the opportunity to grow in confidence, practice public speaking, meet so many amazing people, and proudly represent a fair and community that means so much to me.

I would like to sincerely thank the Glencoe Agricultural Society for the trust, encouragement, and support you have shown me throughout this journey. Your dedication and countless hours of hard work are what make our fair such a special tradition year after year. I am truly grateful for the opportunity you gave me to represent this community!

Throughout the year, I have enjoyed going to Agricultural Society meetings, District 13 meetings, and being available to help wherever an extra hand is needed! Some of the top highlights of this experience include handing out ribbons and prizes to the exhibitors at the fair, passing out candy on Halloween, having a table at the chilli cook off, doing a meet and greet with Santa. In February, I had the honour of representing Glencoe at the OAAS Convention, where I had the chance to meet ambassadors from across Ontario and share our passion for agriculture, fairs, and community involvement. being on the 150th Fair committee where we planned an event to celebrate 150 years of our fall fair, honouring our heritage and those we unfortunately lost along the way. I am very excited for the upcoming CNE Ambassador of the Fairs competition and honoured to continue to represent our community on stage in Toronto. Thank you again to my family, friends and the Glencoe Agricultural Society, who supported me throughout this unforgettable year! It has truly been an honour to serve as your ambassador of the fair and I look forward to continuing to help as a director for the fair!

AMBASSADOR PROGRAM

Committee: Megan McGrail, Taylor Chalupka, Jacqui Weber, Ayden McRae, Cheyenne Cummings, and Carleigh Johnson

JUNIOR FAIR AMBASSADOR PROGRAM

A half-day leadership workshop for students in Grades 6-8. Join us at the Train Station on **September 20th from 9:00am - 1:00pm** to participate in leadership activities, get involved with your local fairboard, and learn more about your agricultural community! Lunch is included, and there are prizes to be won! Pre-registration details will be posted on our social media and will close on September 17th.

SENIOR LEADERSHIP DEVELOPMENT WORKSHOP & FAIR AMBASSADOR PROGRAM

This workshop day is targeted for students in Grades 9-12, looking to improve their leadership skills, public speaking capabilities, and get involved within the community. Join us at the Glencoe Train Station on **September 20th from 12:00pm - 4:00pm** for the workshop, and qualified individuals interested in running as the Glencoe Fair Ambassador are invited to stay from **4:00pm - 5:00pm** to utilize the skills they learned throughout the day in front of our judges in the form of a brief interview, and 2 impromptu questions. The Glencoe Fair Ambassador will be chosen on the 20th, and officially announced during the Fair on Friday, September 25th. Pre-registration details will be posted on our social media, and will close on September 17th.

The Glencoe Fair Ambassador Program provides an opportunity for young adults between the ages of 18-24 to get involved in their community while also gaining valuable skills! Our goal is for participants to come out of this experience feeling more confident in public speaking, networking, introducing themselves, interviewing, and conducting themselves professionally.

The ambassador will spend their year attending events within the Glencoe community such as the fair, and within the greater community of agricultural societies at the Ontario Association of Agricultural Societies Convention (Feb. 18-20, 2027) and at the Canadian National Exhibition (CNE) Ambassador of the Fairs Competition. Attending these events allows the ambassador the time and space to improve upon a variety of professional and personal skills in several environments, as well as the incredible experience of meeting fellow fair ambassadors and agricultural society members from across Ontario.

Although only one participant in the Ambassador Program gets the opportunity to fully represent Glencoe for the year, we think that all who participate benefit from the experience of meeting new people and working on their professional development! We also encourage all who take part to continue to stay involved with the Glencoe Fair Ambassador Committee and Glencoe Agricultural Society in the future.

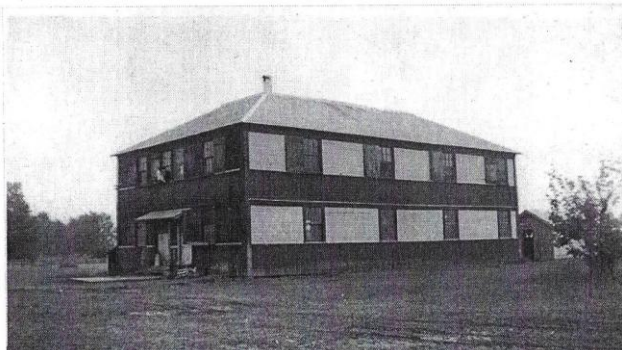

For more information regarding the fair ambassador program, please contact the committee at gfambassador.com@gmail.com.

The educational day will take place from 9:45am – 1:00pm, at the Glencoe arena, on Friday September 25th, 2026.

There is no cost for this educational opportunity as valuable partners (CanGrow Crop Solutions & BioLine) have been established and understand the importance of the local agricultural industry and the merit to educate your students in these areas.

- Learn new vocabulary about animals, farming, farm implements and food
- Develop a positive attitude about agriculture and its importance to the food they eat
- Meet people from the local rural farm community
- Observe and compare a variety of plants and animals common to the local environment
- Become more aware of the various farming methods and practices as they relate to local agriculture industry
- Gain hands on experience with live animal handling and local agricultural commodities displays

We can only hope that you will find these activities exciting and educational for you and your students
