

Dear Supporters of the Glencoe Truck & Tractor Pull,

We invite you to support the upcoming Glencoe Truck & Tractor Pull, taking place on Friday July 17, 2026, through sponsorship. Your contribution helps ensure the continued success of this popular event while supporting community initiatives and the upkeep and improvement of our Fairgrounds and facilities. These efforts include the arena rebuild, support for local sports teams, free skates, and the annual Santa Claus Parade.

The Truck & Tractor Pull attracts over 50 competitors from across Ontario and continues to grow in attendance each year. The 2025 event was a great success, featuring expanded seating and beer gardens, making it one of the busiest events held on the fairgrounds.

A variety of sponsorship opportunities are available, all designed to provide excellent exposure for your business. Benefits include trackside signage, complimentary tickets, website recognition, and repeated acknowledgments by our event announcer. Sponsors featured on the packer sign will see their company name displayed to the crowd approximately 120 times throughout the event.

Partnering with the Glencoe Agricultural Society for this annual event is a valuable way to support the local community while promoting your business.

We encourage you to consider this opportunity and support the success of the 2026 Glencoe Agricultural Society Truck & Tractor Pull. To ensure full recognition, please confirm your sponsorship by Friday, June 13, 2026. Invoices and receipts are available upon request.

For more information, please contact Clark Boekhoven at 226-376-0743, any member of the Truck & Tractor Pull Committee, or confirm your sponsorship by email at clark.boekhoven@gmail.com.

Thank you for your continued support.

Sincerely,

Clark Boekhoven
